

# Sun Policy

**Rationale:** Bright Start Educare wishes to ensure that the children and adults are protected from the harmful rays of sun whilst at the centre.

**Objective:** We will make provision to minimize the risk of sunburn for children and adults attending the centre.

**Procedure:**

- During Terms 1 and 4 children and adults while at Bright Start Educare will need to have a protective hat on and sunscreen while in the outside environment.
- The centre will keep a supply of spare hats for both adults and children.
- At Bright Start we will use SPF 30 sunscreen, endorsed by the Cancer Society. This will be applied, by teacher's after lunch each day, and recorded on our sunscreen whiteboard.
